

Grant

A symphony of
metal and granite

normann

C O P E N H A G E N

Inspired by Copenhagen's iconic street lighting

A granite base with a thunder grey mineral mélange constitutes the magnetic starting point for the Grant series. In a symphony of contrasts, this elegant igneous stone is paired with polished metals to compose a refined and balanced design. Grant arises from the aesthetic interplay between high shine and dusty granular depth.

Grant pendant Ø23 cm brass / granite

Product Facts

Grant pendant EU

Description

The Grant pendant lamps in two sizes provide ample opportunity for lighting up spaces of various sizes and characters. Due to the dispersion lens, the pendants can be hung high without blinding.

Design

Simon Legald, 2018

Material

Brass plated steel / Black plated steel / Granite

Construction

The six versions of the Grant collection are constructed with a replaceable low-energy LED light source with dispersion lens, attached with small brass finger screws.

Maintenance

Clean with damp cloth. Avoid use of all-purpose cleaners and other degreasing detergents.

Cord

4 m textile cord, black color.

Canopy

Included, black color, H: 7,7 x Ø: 9 cm, 0,04 kg

Dimmable function

Yes - with dimmable light source. Ensure your dimmer is compatible with LED.

Voltage

220-240 V ►

Product Facts

Grant floor lamp EU

Description

Sharing the same features as the Grant table lamp, an adjustable shade and dimmer switch, the Grant floor lamp is ideal as a reading lamp or for lighting up dark corners.

Design

Simon Legald, 2018

Material

Brass plated steel / Black plated steel / Granite

Construction

The six versions of the Grant collection are constructed with a replaceable low-energy LED light source with dispersion lens, attached with small brass finger screws. A ball joint connection on the table and floor lamp allows the lampshades to be positioned in diverse directions.

Maintenance

Clean with damp cloth. Avoid use of all-purpose cleaners and other degreasing detergents.

Technical specifications

Grant wall lamp 43 cm brass / granite

Product Facts

Grant wall lamp EU

Description

An aesthetic and space-optimizing lighting solution, the Grant wall lamps have arms that move from right to left and lampshades that can be tipped up and down, allowing the lamps to take up several different positions.

Design

Simon Legald, 2018

Material

Brass plated steel / Black plated steel / Granite

Construction

The six versions of the Grant collection are constructed with a replaceable low-energy LED light source with dispersion lens, attached with small brass finger screws. The wall lamp versions can move from side to side (ca.180 degrees). A ball joint connection allows the lampshades to be positioned in diverse directions.

Maintenance

Clean with damp cloth. Avoid use of all-purpose cleaners and other degreasing detergents.
