TABLES AND SMALL TABLES | Indoor  
STUDIOPEPE

The low Thalatha coffee table by Studiopepe is a tribute to the sculptural elegance of marble, with the stone playing the leading role in a seamlessly sophisticated design. The top, available in precious Travertino Silver or White marble, offers a surface of vibrant elegance, enriched by the distinct colours and markings inherent to natural stone, enhancing its authenticity. A metal framework, available in exquisite finishes such as satin brass-plated, hand-brushed burnished, or satin nickel-plated, supports this precious slab. This design harmonises with the robust solid legs, achieving an ideal balance between strength and visual lightness.
