

OSUU CHAIR

OSUU CHAIR. CHAIRS.

DESIGN: FOSTER + PARTNERS.

Construction

- Bentwood chair (in solid wood) in combination with a minimal molded wood seat shell out of 3D-veneer (both with natural hard wax finish).
- Material: oak and nutwood.

Accessories

- The following seat cushions are available as an option:
- Seat cushion out of wool felt in the colours beige and anthracite.
- Seat cushion out of leather Saddle in all colours of the Walter Knoll collection.
- The seat cushion can be ordered separately (1000-K).

Information

- Frame and seat shell can be separated and recycled.
- Please notice that each chair is unique.
- Differences in colouring and structure within the wooden frame and shell are typical for the material. Please notice that the elements may have sapwood elements, mirror surfaces and small point branches.
- Walter Knoll is a FSC® -certified company. The chair is FSC certified®.
