

EILEEN

SOFAS AND ARMCHAIRS | Outdoor
BAXTER P.

Designed by Baxter P., Eileen is a modular outdoor sofa that transcends the boundary between sophisticated comfort and contemporary versatility. A soft oasis of relaxation suspended in the open air, it features an enveloping armchair and a complementary pouf that converse in perfect harmony—offering endless configuration possibilities to transform any outdoor setting into an exclusive living experience. Its cleverly designed proportions make it the ideal element for intimate patios, urban terraces and architectural loggias, as well as for generously sized rooms. The base module reveals its transformative nature with a simple shift of the backrest, evolving into an elegant sunbed that invites quiet contemplation of the sky above. Refined leather detailing traces its silhouette, while the grisdoré antiqued steel finish reflects Baxter's signature design excellence—where form and function merge in harmony, celebrating the art of outdoor living with unmistakable character.

Structure: structure in polished stainless steel 316 or satin brass.

Accessory table made of sandblasted solid iroko wood with an oil finish and a finish of choice.

Padding / Filling: padding in polyurethane foam with varying densities, microfibre padding with independent channel filling of different capacities, with an acrylic fibre coating.

Spring system: outdoor springs in woven elastic straps of covered rubber.

Feet / Legs: adjustable feet.

Decoration: accessory leather handle.

Covering / Coating: removable upholstery.
