# Tufty-Too

SOFAS

*Patricia Urquiola*

## Description

A development of the Tufty-Time system, the image conveys a perceptible feeling of softness along with a decorative quality based on the tailoring finish. The citation of the capitonné style, which distinguishes the series, lies in the matching or contrasting hues of the cover seams that become a distinctive feature. It maintains the modular feature intact and speaks a modern language that mellows references to the 1960s, which characterise the father of the family.
