

COLLECTION OVERVIEW: FRAMETABLE, 2001

Alberto Meda

Perfect for any interior space, the tables of the **FRAMETABLE** collection feature simple design and great formal lightness. Available in the fixed and folding versions, they have a load/bearing structure in die-cast aluminium and rectangular or oval tops of different sizes and materials. In its original foldable version, Frametable maintains stability and lightness in an elegant mechanism that gives the table an outstanding aesthetic value.

Notes

CATALOGUE ALIAS FOCUS
Download the catalogue on our website to learn more about the collection.

The feet are adjustable and reclinable to provide greater stability for the table. The table has feet with a synthetic felt pad.

- For top with cable channels please ask for quotation to our sales department.
- The **FOLDING** version is available with structure on glides or on castors (soft black with brake).
- The **DINING** version (for Frametable oval 190 and 240) allows comfortable head of the table seating.
