CHAIRS

Antonio Citterio

Description

To the small armchair Fulgens, which has the vocation of a unique piece, able to sit next to a traditional sofa, has been added the new chair with armrests. In two finishes, shellac lacquered or in wood, which expresses the idea of handcrafted excellence. Stylistically, the piece evokes classic thonet pieces without oriental overtones, confirmed by the silky hand of the wood. The seat-back shell, externally shellac lacquered, is internally upholstered and covered in leather or fabric.
