ARMCHAIRS

Gaetano Pesce

Description

UP5_6, an unrivalled icon of Italian design on the international stage, now presented in an unusual version designed for children aged over 3 years: UPJ. The new Junior version, which is identical to the original except for being smaller in size, is proposed as a design armchair both comfortable and playful; its attractive shape and its bright red colour will tastefully furnish and enhance spaces dedicated to children and even compact metropolitan apartments. UPJ, the latest “must” for all those who will not give up a seat - even a small one - that has a place in design history.
