Description

The Twist collection of carpets, designed as a leitmotif between the seats and furnishings, helps to create elegantly versatile outdoor environments through the availability of 6 hues (rope, green, tortora, grey, anthracite and blue) and three standard sizes (rectangular of cm 200 x 300, 250 x 350, 300 x 400). Moreover, the carpets can also be cut to size. They are characterised by a braided structure made using 100% polyolefin carpet yarns, marked by permeability and breathability, which make the products entirely suitable for use outdoors. All the products are reversible.
