

CHESTER MOON

SOFAS AND ARMCHAIRS | Indoor
PAOLA NAVONE

The sofa and armchair of the Baxter Chester Moon collection are born from a reinterpretation of the classic Chesterfield, the most iconic and beloved of upholstered furniture models, today as yesterday. Paola Navone's sophisticated design combines balanced forms, distinctive features of any Chesterfield, with the complex techniques used to craft the product. From the unique workmanship of the quilted leather, with the continuous tufting on all surfaces, to the painstaking attention paid to each button, the devil of this particular concept is in the detail. The Chester Moon sofa and armchair revisit the past in terms of the classic techniques involved in their creation, but also reveal a quest for minimalism in the cleanliness of their lines which, soft and rounded, promote a completely new living experience.

Model: tufted quilted tufting model.

Structure: structure in fir plywood.

Seat frame in fir.

Padding / Filling: padding in differentiated density polyurethane foam with acrylic fibre cover.

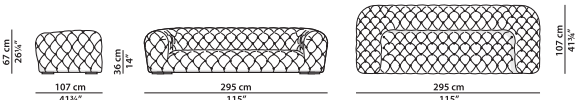

Spring system: springs in woven elastic straps of covered rubber.
