CHAIRS

Jeffrey Bennett

Description

This is an evolution of the Metropolitan chair, now presented with a new typology of packaging and covering. The renewed frames range from the more classic four bright brushed aluminium spokes with swivel seat, to bright chromed steel rod that allow stacking.

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
