
P60

COMPLEMENTS

Antonio Citterio

Description

An ottoman with wheels, to be used everywhere as an additional seat or as a service element placed by tables, writing desks and shelves. The soft cube is enhanced by graphic qualities when covered with striped fabrics, whose lines run in the opposite direction on the sides.

fabric or leather

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
