SMALL TABLES

*Antonio Citterio*

## Description

Multipurpose tables with one or two tops in different heights and a sophisticated playful spirit depending on the finishes. There are many graphically powerful combinations of surfaces and frames: marble, wood, glass and lacquer for the former, chrome and varnish, even coloured, for the latter. Various interpretations make them the ideal choice for several settings that can be either rigorous or dynamic.

---

# Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
