Equipment

Plug management packages:

All conference tables can be equipped with plug management packages. For this purpose, a management package is needed for tables with (prismatic) panel legs. It is mentioned at each article.

Cable management package:

Tables with panel legs: /prismatic panel leg: Optionally, for a surcharge, tables can be equipped with a vertical cable channel and a cable tray (W 47 cm, D 16 cm) under the table top (see cable management package).

Tables with base: The base is used for vertical and horizontal cabling. No additional cable management package is required in this case.

Seating space

To be able to accommodate different seat widths, all tables are available with three different seat widths (75, 80 and 85 cm). Please specify the width with the ordering number. You will find the seat widths of the Walter Knoll chairs in the price list *Export Seating*.
